

Human Resources Department

Sky World Limited
Western Heights Karuna Road,
Westlands, Nairobi

Dear Hiring Manager,

I am writing to express my interest in pursuing an attachment opportunity with Sky World Limited. Currently, I am an incoming fourth year student at Strathmore University pursuing a degree in Computer Science and I am eager to apply the concepts I have learned in a practical setting. I am seeking an opportunity to join your team from 9th February 2024 to 1st April 2024, as part of my academic program requirements.

Throughout my academic career, I have consistently demonstrated a strong work ethic and a dedication to my field of study. My coursework has provided me with a solid foundation in basic introductions to the world of programming and I seek this specific company to broaden my thinking and response to current problems. I am particularly drawn to Sky World Limited because of its commitment to providing up to the task software solutions and I am enthusiastic about the opportunity to contribute to your team.

In addition to my academic achievements, I have participated in a few select hackathons and seminars that have further developed my skills to take on new tasks and work with deadlines. These experiences have equipped me with the ability to adapt to new challenges, collaborate effectively with diverse teams, and achieve goals in a timely manner. I am confident that my background and aspirations align well with the values and goals of Sky World Limited.

During my attachment, I am keen to gain hands-on experience, learn from the esteemed professionals at your company, and contribute positively to your ongoing projects. I am particularly interested in getting to know more about the real-world scenario projects, and I am eager to bring my skills and enthusiasm to this area.

Please find my resume attached, which provides further details about my academic achievements and extracurricular involvement. I am very excited about the possibility of joining Sky World Limited and am

available at your earliest convenience. Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team.

Sincerely,
Newton Brian Nyongesa,
Strathmore university,
phone: 254 110952788.
